

# Northern Tier

**Troop 629 is looking to provide a super high adventure wilderness canoe trip from the Charles L. Sommers Wilderness Canoe Base in Minnesota, July 27 – August 2 ,2010 for a few great scouts who will be 13 and first class by the trip!**

**For planning purposes, we will fly into Duluth, MN and drive to camp from there. The next day we begin 5-6 days of lake canoeing and portages in the northern wilderness of the boundary waters of Northern MN and Canada.**

**Approximate cost is \$1,000 for travel and canoe base, but remember funds in your High Adventure account can be used to offset the cost !!**

**The troop high adventure policy along with planning details will be discussed at a parents planning meeting in early 2010. *This will be a demanding and strenuous experience; but one never to forget.***

**Call Dave Pendery 770-552-4220 or [penderyclan@comcast.net](mailto:penderyclan@comcast.net) for other questions or details.**

*To hold your spot, we are collecting a \$100 deposit check to “Troop 629” due November 2nd*
