

Northern Tier

Troop 629 is looking to provide a super high adventure 50 mile wilderness canoe trip to the Atikokan Canoe Base July 2008 for a few great scouts who will be 13 and first class by the trip!

For planning purposes the 2-1/2 to 3 day road trip up and then back will stop at some historical or recreational selected sights and conduct 5-6 days of lake canoeing and portages in the northern wilderness of Canada.

Approximate cost is \$900 for road trip and canoe base.

The troop high adventure policy along with planning details will be discussed at a parents planning meeting in late 2007.

This will be a demanding and strenuous experience; but one never to forget.

Call your scoutmaster (Mr. Gillis 770-649-7825) for other questions or details.

----- cut along line and turn in with deposit slip -----

Scout _____ is definitely interested in this canoe base experience and wants to be included.
